Continuation of Substance of Interview including description of the general nature of what was discussed: Applicant's attorney agreed to amend claim 1 to distinguish over applicant's previous patent by adding "directly" after "supported" on line 3. It was also agreed to amend claim 3 by replacing "including a casing which engages" with "wherein" on line 1 and inserting "includes a casing" after "dispenser body" on line 2 since the casing is part of the dispenser body. The changes have been done by examiner's amendment in order that the application might be allowed...
